

LAURA BEGLIN DANCE

COVID POLICY

The health and safety of our students, staff, and families is of the utmost importance at LAURA BEGLIN DANCE. For that reason, we will be following strict health and safety protocols recommended by public health experts, the City of Toronto, and the Government of Ontario.

The measures taken to ensure everyone's safety include:

- All staff and volunteers at LAURA BEGLIN DANCE are fully vaccinated.
- All staff and volunteers at LAURA BEGLIN DANCE are educated on the latest public health guidelines.
- All staff and volunteers will be wearing masks indoors at all times.
- All students, parents, and visitors are required to wear masks upon entering the building.
- Students age 3 and older are asked to wear masks during class.
- Mask and water breaks will be provided as needed, and classes will foster a fun, safe, and enriching social experience.
- Students, staff, and volunteers will practice physical distancing at all times.
- Attendance records will be kept each week, and families will self-screen prior to attending each class.
- All mats, materials, props, and surfaces will be sanitized between classes.
- All students, staff, and volunteers will regularly sanitize hands before and during class.
- Flexible makeup classes will be offered in the event of any city-wide lockdowns.
- All safety protocols and policies will be updated regularly in accordance with City and Provincial guidelines.
